The law operated exactly as the Radical devils who framed it intended it should—it4 practically abrogated the right to challenge voters, and the consequence was that came to the city from Askansas and Mississippi, either voted, or have preferred charges against the judges of election for refusing to take their votes. We are not disposed to censure any man for doing his duty, nor are we willing to prejudge any one, therefore, until we know what U. S. Marshal Eaton will do in the cases, we shall not criticise his actions yeaterday. The law makes it his duty to attend to its enforcement, and he may have been but carrying out its provisions. Several judges of election, among them Colonel T. B. Norment and A. C. Bettis, were served with warrants by Colonel Eaton for refusing to take votes known to be filegal by them. In the Seventh and Ninth Wards a large number of illegal votes were slipped in. Several arrests were made of guilty parties, some on State warrants and some by the threats among the negroes around the polis. At the Seventh Ward we heard negroes they pleases; and de law gives a colored man the vight to kill any white man that interparts the provision of the Nicolson pavement on any street they pleases; and de law gives a colored man the vight to kill any white man that interparts while from the politics," and to "give them their whom was reterred the petition of the whom was reterred the petition of the whom was reterred to Union street, as a street from its intersection with the colored in hy the crowd of negroes around.

Upon the petition of J. W. Woltering, President, etc., of the Empire Manufacturing Company of Montplis, in relation to the best mode of preserving the Nicolson pavement from decay, sinking, etc., the Council's Improvement Committee report that they have no practical knowledge on the subject, but are willing to

for investigation and report by Board of Aldermen.

Upon the subject of the toregoing petition of J. W. Woltering, President of the Empire Manufacturing Company, we recommend that the petitioners be permitted to test the virtues of their patent for the preservation of the Nicelson pavement, etc., by applying the material to the Nicelson pavement on any street they may select, for the length of one square or less; the work to be done at the cost of the petitioners.
